"I'll get a goofy smile on my face . . . whenever I think of him."

"I'm going to rip into the DJ world—and watch out, I'm going global!"

CELESTE MORGAN Our cover girl has outgrown her childhood shyness enough to blatantly ogle a guy she's attracted to, but she still waits for him to make the first move. If he turns out to be "cocky, egotistical or sexist," Celeste will move on and continue her search for a spontaneous, funny, ambitious man who "treats women like the goddesses we are." Vital stats: 5'6", 110 lbs., 34C-24-35. *Andrew Goldman, 1, 2, 4, 5, 6-7.*

ANNIE-CLAUDE BOLDUC Even though she suspects men consider themselves irresistible, this French Canadian is loath to hurt their feelings when they're not. "A guy I was out with was into me big time, but I wasn't into him at all. It was very uncomfortable, because I didn't want him to feel bad." Possible flaws: Bad breath, smoking, snobbishness or arrogance. Vital stats: 5'2", 95 lbs., 34B-24-34. *Gen Nishino, 8, 9, 10, 11.*

GLEICY SANTOS The telltale signs of love are obvious. "I'll get a goofy smile on my face and a dreamy look in my eye whenever I think of him." *Jarmo Pohjaniemi, 12-13, 14-15.*

TIFFANY TAYLOR Top turnoffs: "Bad tippers, rude drivers, nonstop talkers and people who are compulsively late." Vital stats: 5'7", 115 lbs., 36D-25-35. *Gen Nishino, 16, 17.*

SHANNON CRUZ Although born in the Dominican Republic, Shannon is half Cuban and half Polish. Now living in Miami, she'll hit the beach between modeling jobs for a pickup volleyball game or to play "ultimate Frisbee," but otherwise claims no time for hobbies—"unless you consider cleaning, sleeping, cooking, doing laundry and auditioning hobbies!" Vital stats: 5'10", 125 lbs., 34C-24-35. *Gen Nishino, 18, 19, 20, 21.*

JENNIFER WALCOTT Up for anything as a kid, she especially enjoyed doing "boy stuff." More ladylike now, she considers herself "feminine, loving and classy," but still enjoys heading to the shooting range to squeeze off a few. *Stephen Wayda, 22, 23, 24-25.*

ARIA GIOVANNI With such a diversity of blood flowing through her veins (Italian, French, Yugoslavian, German, Irish and American Indian), Aria describes herself as a genetic mutt with a "dichotomy of personalities. I can be quiet, introverted and studious as well as wild, outgoing and spontaneous." *Mizuno, 26, 27, 28-29.*

OLYIA RUSSO She grew up in Moscow, where, she says, she was a "very bad girl who never got into trouble because I was so cute!" Still cute and still enjoying being the center of attention, Olyia would love to become a movie star and bask in all the media glare that comes with the job. For now, she gets her kicks by singing ("my meditation"), dancing ("my release") and having casual sex ("my hobby"). *Gen Nishino, 30-31, 32, 33.*

CARLA BROWN Modeling has evoked the sexy side of this Brit beauty, and Carla intends to pursue it as far as she can. But her practical side saw to it that she studied art and design, fashion and computer graphics as fallback options. On the personal front, she favors smart, funny, tall men who "don't try to get into my knickers." *Byron Newman, 34-35.*

DANELLE FOLTA Playboy's X-Treme Team captain continues to lead her troops on cross-country road rallies, grueling TV challenges and down-and-dirty adventure races. Best reward? "Breaking down stereotypes. Playmates are pretty tough!" *David Rams, 36, 37, 38-39.*

RACHAEL ROBBINS Ask her what her career goal is and you get a one-word answer: "Fame." To achieve that status, she's picked two superstars as role models—Marilyn Monroe and Madonna. "Marilyn oozed sex appeal and vulnerability. Madonna is confident, ambitious, talented—and über famous. I'd like to combine the best of both of them." Vital stats: 5'4", 113 lbs., 34D-25-35. *Gen Nishino, 40, 41, 42, 43.*

ELIZABETH JOANNE Who do we have to thank for Elizabeth's path to Playboy? "My second cousin. She was in PLAYBOY in 1988 and became a hometown star. I wanted to get some glory, too!" Vital stats: 6', 140 lbs., 36DD-24-36. *Gen Nishino, 44, 45, 46-47.*

HOLLY LASTINGER She'd happily swap a budding career for marriage and motherhood, but first she has to find a guy who's warm and loving. "Men can be so cold. How do they do that when women are so damn sexy?" *David Rams, 48, 49.*

SCARLETT ETIENNE This "driven, wide-eyed, quirky and energetic" New Yorker is into Web design, dancing and DJing. "I'm going to rip into the DJ world—and watch out, I'm going global!" Vital stats: 5'3", 108 lbs., 34B-23-33. *Gen Nishino, 50, 51, 52, 53.*

DENISE ERIKA She lives in Pennsylvania now but she considers herself a Texraeli. "My dad's from Israel, my mom's from Texas." *Gen Nishino, 54, 55, 56, 57.*

LESLIE ELIZABETH "Wild, outspoken and sassy," Leslie's not afraid to try anything and figures she's best suited to an "an aggressive man who knows how to take care of a woman." Hint: Ignore her at first, slave over her later. *Andrew Goldman, 58-59.*

SUSAN WEISS Despite more than a dozen SE appearances, Susan isn't blasé about her job. "I was on a plane and I couldn't wait to look at my pictures in *Lingerie*. I figured the people sitting nearby would never make the connection that it was me. But they did! These guys were like, 'Is that you?' And, of course, I said, 'Yeah, it's me! I'm naked!' You know, it's so silly—I get nervous making a joke, but meanwhile I'm naked in a magazine! Go figure." Vital stats: 5'7½", 115 lbs., 36C-24-35. *Gen Nishino, 60-61, 62, 63.*

BIANKA MATCHETT "Lolita, nymphet—these two words describe why my father lost all his hair!" She claims a very strict upbringing brought out the wild side in her. "You know what they say about a spring held tight—when you let go, it explodes!" Her hobbies include going to concerts ("My friends would call me a bit of a groupie"), tanning topless ("It's legal in Ontario, you know") and dancing with her friend Jules ("The two of us are dangerous!"). Vital stats: 5'8", 116 lbs., 34C-25-35. *Ivan Otis, 64, 65, 66-67.*

KRYSTAL TAMBURINO The downside to all the work she's been doing as a sales rep and lingerie model is that she can't spend as much time with her family as she'd like. But the upside is that she's been able to help them out financially. A future goal is to travel to Italy to connect with the distant relatives she's never met. *Gen Nishino, 68, 69, 70, 71.*

FAWNIA MONDEY As a kid, she says she took gleeful pleasure in getting into trouble. "Can you imagine the stress I must have put on my parents?" But she thinks her youthful indiscretions reflected a deep desire to be in the public eye when she grew up. Today she juggles careers as a model, actress, producer and dance instructor. Vital stats: 5'4", 115 lbs., 34B-24-34. *Waldy Martens, 72, 73, 74-75.*

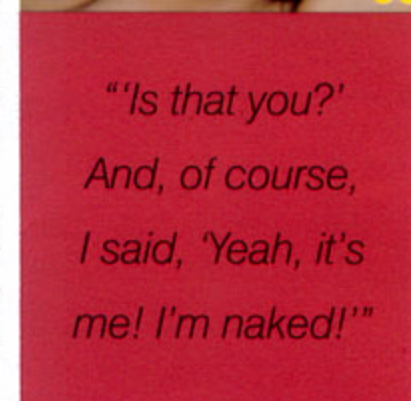

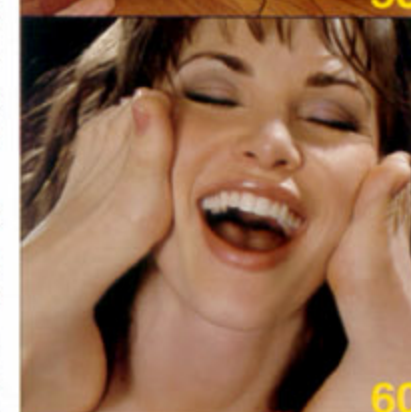

MICHELLE EILEEN Not only does she surf Internet chat rooms, but she also admits she had a 3D encounter with someone she met in one. "The axe-murderer fear is greatly exaggerated. The guy I met was wonderful, and we dated for a few months. It was nerve-racking, but absolutely worth it." Vital stats: 5'4", 118 lbs., 34C-24-34. *Gen Nishino, 76, 77.*

LOUIZE HENZIGER If there's anything other than meatballs for which Swedes are more famous, it's blondes. Their latest fair-haired export became a Cyber Girl of the Week last September, and she hopes the exposure will boost her singing career. "I'm just recording my first single—dance music with a Latin feel." Speaking of a Latin feel: "I love Latin men. The way they look and the way they move—wow, they're just so sexy. They're better in bed, too." Vital stats: 5'4", 116 lbs., 35C-23-34. *Stephen Wayda, 78, 79, 80-81.*

VICTORIA KNIGHT "Sorry to disappoint, but my favorite lingerie is my Mickey Mouse jammies with footsies!" The Disney look is ditched, though, when a more sensual look is called for. "I have a white teddy, garter belt and lace stockings that are guaranteed man-killers." Vital stats: 5'5", 118 lbs., 34-24-36. *Jarmo Pohjaniemi, 82, 83, 84-85.*

CHERYL STELL Dates who lack imagination get short shrift. "You know, the kind of guy who asks you out, has no plans, then says, 'I'll do whatever you want to do.' At that moment, what I want to do is find a guy who has a clue!" *David Rams, 86, 87.*

LINDSEY VUOLO Her Italian father converted to Judaism to marry her Russian mother. "I traveled to Israel as part of an exchange program and it was an amazing trip. Being in Jerusalem was so emotional for me—I broke down and cried." *Mizuno, 88-89, 90-91.*

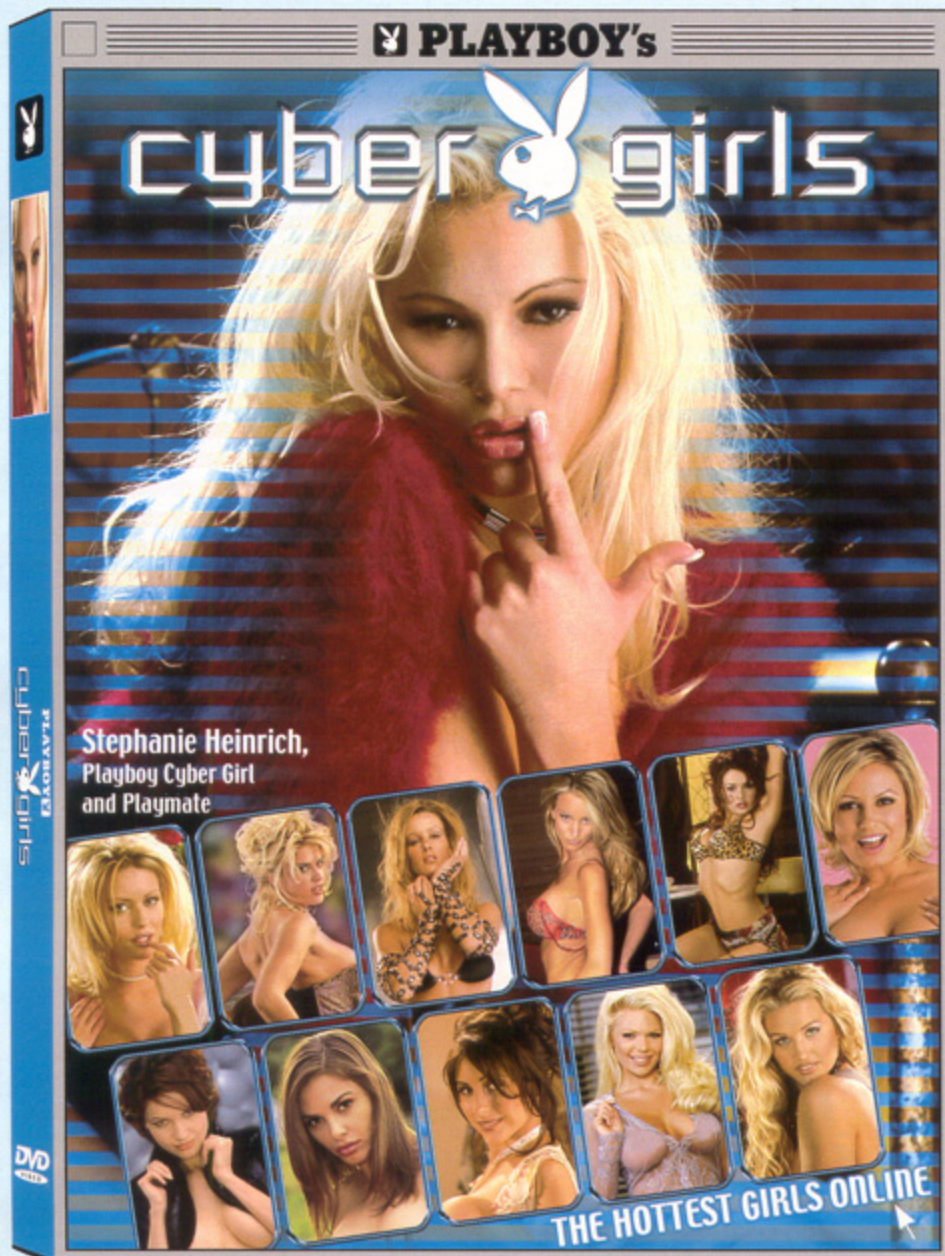

"Men can be so cold. How do they do that when women are so damn sexy?"

"Latin men—wow, they're just so sexy. They're better in bed, too."

✂ Where did you find Yunia Soloman—and how can I get there? I don't think I've ever seen a more alluring woman in my life! Her dark skin and blue eyes are absolutely striking, and she's beautifully shot out in the sun. Yum! ...Khan

✂ Special Editions are great. But, please, have the models smile more! ...Michael
We've had requests to bare more boobs, butts, bushes and belly buttons—but never teeth. Since you asked, though, we'll try harder in the future to tickle our models, um, pink.

✂ Oh my, oh dear—Kimberly Nicole Cameron is gorgeous and captivating. More, more, more! Good job, people. ...M.H.

✂ As for the debate about miladies' netherlands and whether shaving or natural is preferable, it should occur to everyone that all of the arguments are totally absurd. To accept a natural (unshaved) woman is primal. To crave variety (shaved) is understandable. Beautiful women are beautiful to individuals in spite of some other idiot's preferences. We should not give in to Arbitron ratings on pubic hair. ...J.A.

✂ Maybe it's my new glasses, but this issue of NUDES looks especially spectacular. The photographs are crisp, the colors sharp, the settings imaginative, the clothes gone and the women—well, about the most perfect assemblage I've seen yet. You guys do a great job. ...T.T.G.

✂ A superb *Playmates in Bed*—photographic proof of why these ladies deserve the Centerfold crowns they wear. This issue is the ultimate eye candy for the terminally horny. ...S.W.W.

✂ Let's see more of Eva Vaughn. She seems entirely qualified to become a Playmate. She's hot—and incredibly sexy. ...D.J.W.
